

Sprint Plan reflection # 5

User Story	Task	Task Assigned To	Estimated Effort per Task	Actual Effort in hours	Done?	Notes
A user needs a virtual human for tygron	Code cleanup	Paul	4 points	1 hours	Yes	Faster than expected
A User needs a strategy	Game Session devolpers	All	10 points	8 hours	Yes	Had a meeting for SE during the time we planned to do this.  Only with one session
	Game Session Students	All	12 points	-	No	
	Create strategy plan	Noor, Chantal, Roy	15 points	2 hour	Partly	
A User needs a test map to play the game	Update descriptions of the map	Karim	3 poins	2 hours	Yes	

Main Problems Encountered

Description	Solution
The time we planned with people to do a game session, was during a SE meeting.	We rescheduled an new time
Limited time (Examens, meetings)	Sheduled time in weekend
